**Mission Statement**

LCC International University provides Christian liberal arts education within a diverse learning community that transforms people for servant leadership.

---

**Vision Statement**

To be the leading Christian liberal arts university in Europe, renowned for its flourishing academic community, spiritual vitality, and global impact.

# THIS IS OUR 30TH YEAR!

30 years ago LCC began as an English Language Institute for a small group of Lithuanian students. This year we began with over 700 students from 57 countries.

***There was a day (30 years ago), when*** there was no category for private institutions in the Lithuanian higher education system. Today LCC is a fully accredited university, with diplomas that are globally recognized.

***There was a day (30 years ago), when*** a small copy machine felt like major technology. Today our smartphones and computer labs and cybersecurity program tell a very different story.

***Our first graduating class (almost 30 years ago)*** had 26 graduates. Today we have over 2300 alumni, making an impact around the world.

***There was a day (30 years ago), when*** peace and freedom were re-emerging in Lithuania, with very little violence. Today we welcome students from countries that are desperate for that same peace and freedom. And we have launched a Peace Center.

***There was a day (30 years ago), when*** expressions of faith were intentionally quiet and guarded. Today each student receives a Bible, we have Discipleship Assistants on each floor, and we regularly worship and pray together.

MAY C  
WISD  
AS W  
THE M

30 years ago... and this year...  
I met 2 Lithuanian basketball stars  
V. Chomičius & G. Krapikas.

There was a day (30 years ago) . . . and there is today. This leap – on so many levels – has required thousands of faithful people, risk takers, professionals, visionaries, do-ers, parents and families, and supporters. Each of you is on that list. Thank you for being part of the story.

May we and the next generations of LCC build on the legacy of these 30 years. May we, as the LCC community, go together into the next 30 years so that:

- \_\_\_ Economies are improved and democracies are shaped
- \_\_\_ The voices of the marginalized are raised
- \_\_\_ Misunderstandings are bridged – between siblings and friends, between countries, between religions
- \_\_\_ Peace is experienced as an alternative to conflict and war
- \_\_\_ The beauty of creation is protected
- \_\_\_ A culture of giving back is built
- \_\_\_ Lives are transformed and the love of Christ is experienced

As we look back at the 2021-2022 year, we are reminded of the importance of peacebuilding and of caregiving in the context of trauma (with a full-scale war in Ukraine). We are grateful for the generosity of our donors, and for the faithfulness of many who have prayed for the LCC community.

**GOD GRANT US HIS  
DOM AND HIS PEACE  
WE GO TOGETHER INTO  
NEXT DECADE.**

# LCCx AT LCC

The purpose of the new division of LCCx is to provide an additional and complementary dimension to the education portfolio delivered by LCC, by delivering digital badges of knowledge and certificates, noncredit professional development and training programs. This division focuses on LCC revenue growth as well as building larger brand awareness by identifying profitable business opportunities, building strong working relationships with external partners, and developing long-term business growth strategies.

LCCx is now responsible for all our external programs (English language programs for the community, basketball camps) as well as the new Cybersecurity Bootcamp, a 6-month part-time training program that leads people to careers in cybersecurity, which is done in partnership with Thrive DX. LCC became the first university-bootcamp partner in Europe for Thrive DX, a global cyber education leader.

LCC is grateful to the 40 volunteers from Tabor College and Chick-fil-A who joined the kids, teens, and basketball camps and served youth by helping them improve their English language skills through interaction with native speakers.

# LCC PEACE BUILDING

---

## **Peacebuilding guided by 4 pillars**

Opportunities for gathering and growing together strengthen the LCC ethos of non-violent peacebuilding guided by 4 pillars:

- \_\_\_ Conflict Transformation & Resilience
  - \_\_\_ Applied Research & Dialogue
  - \_\_\_ Action, Advocacy & Awareness Raising
  - \_\_\_ Peace, Dialogue & Trainings
- 

## **A three-day conference “Stories Shaping Peace”**

In March the Center organized a three-day conference, “Stories Shaping Peace,” hosting many researchers, artists, and presenters who shared their knowledge on three different strands of narrative: storytelling, its role in healing, and building a democratic society.

---

## **Rukla refugee camp**

In May, a team from LCC were invited to the Rukla refugee camp as volunteers. The team of faculty, staff, and students went through a comprehensive training that enabled them to bring the greatest positive impact to the camp. For a week, our volunteers stayed at the Rukla campground to interact with camp residents, lead them in training sessions about building peace and resilience, and connect with them meaningfully.

---

## **Peacebuilding activities**

Throughout the year the Center conducts peace building activities for various campus groups.

# UKRAINE — CAMPUS INITIATIVES

---

## LCC students helped the Red Cross

LCC students together with Professor Scott Neumann helped the Red Cross to gather and divide clothing, shoes, sleeping mats and other humanitarian items donated to Ukrainian refugees. In less than one day, Lithuanians donated more than 50 trucks of aid, which was immediately taken to the border of Ukraine.

---

## LCC students have launched the Ukraine Care Initiative

Ukrainian and Russian LCC students launched the Ukraine Care Initiative. As a response to the war in Ukraine, they established an Informational Center in Klaipėda where thousands of Ukrainian refugees can receive information about where they can get help. Our students have also organized peaceful protests, awareness events, Saturday art clubs for young Ukrainian children, and have fundraised for specific needs in Ukraine.

# UKRAINE - LANGUAGE SUPPORT FOR REFUGEES

---

## **Intensive Lithuanian language courses for the Ukrainian refugees**

In April LCC faculty, staff, students and alumni started the first round of teaching the Ukrainian refugees intensive Lithuanian language courses. At the end of May over 200 amazing students successfully completed the intensive Lithuanian language course and received their official certification from LCC International University. Now they can participate in the local community that much more meaningfully, build connections and relationships more easily, and feel a little more at home than just a month ago.

# UKRAINE COMMITMENT PROJECT

LCC can best help Ukraine by equipping the next generation of Ukrainians with the education necessary to serve their country best. This is why we have launched the UKRAINE COMMITMENT PROJECT.

As part of this project, LCC will offer financial support for incoming and transfer students from Ukraine affected by the ongoing war. Eligible applicants will receive one academic year of tuition-free studies, and one academic year of free housing on the LCC campus.

# 2021 - 2022

## FINANCIAL OVERVIEW

1,000,000 USD is the estimated value of the contributed services of faculty/staff, and other volunteer services (not included in annual budget).

LCC is a debt free institution.

Income - 4,065,902 USD

Expenses - 4,055,479 USD

**1,085,054 USD**  
Annual Fund Donations

The main purpose of the Annual Fund is to sustain the operations of the university and to ensure the funds to offer scholarships and high-quality education to students who otherwise would not be able to afford it. Many students find it very hard to pay the full yearly tuition of 4,000 USD plus living expenses. Our goal each year is to invite donors to the Annual Fund, evaluate the individual need of each student, and provide financial support, enabling them to experience the North American style education at LCC. We are grateful for each individual gift, which impacts the transformation of these future leaders.
